

## INVESTING IN THE CHURCH SINCE 1969

Wesleyan Impact Partners is a national nonprofit dedicated to growing the church's impact and nourishing the communities it serves. We invest in ministries and innovative leaders courageously doing Christ's loving work in the world – partnering in a Spirit-led movement to bring about human flourishing grounded in love, generosity, and belonging today and in the future.

Throughout our history, Wesleyan Impact Partners has empowered churches and congregations across the United States. As a registered nonprofit with the IRS, all of our revenue is reinvested in the church through loans and learning and innovation initiatives that strengthen the church's witness, building thriving congregations and flourishing communities and bringing the experience of God's love to more people.

Our work is made possible by impact-focused investors, borrowers, donors, and partnerships with other faith-based foundations.

## BUILDING A COMMUNITY

Inspired by her mother's generosity, Shirleen Johnston was one of the first in her church to invest with Wesleyan Impact Partners when she learned that we funded the loan that made possible the literal expansion of Christ's table at her home church, Community UMC, in Irwin, Pennsylvania.

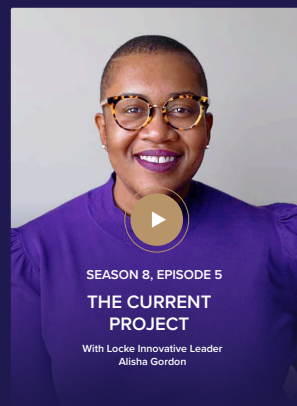

Shirleen invested in Impact Certificates because she shares Wesleyan Impact Partners' mission to help churches be anchors of love and belonging for the communities they serve.

## CONVERSATIONS THAT SPARK THE SPIRIT WITHIN YOU

Wesleyan Impact Partners' *Igniting Imagination*<sup>®</sup> Podcast aims to spark our collective imagination for the changing spiritual landscape by offering ideas to strengthen spiritual practice, build community, and inspire courage and innovation.

The *Igniting Imagination Podcast* features rich conversations with prominent leaders from across the cultural and spiritual landscape that invite listeners into new relationships with themselves, their church, and their communities.

## LOCKE INNOVATIVE LEADERS THAT MEET THE NEEDS OF OUR CHANGING WORLD

The Locke Innovative Leader Award honors and emboldens spiritual innovators who envision new ministries and transform lives and communities, inspiring others to join them in growing the impact of the church and nourishing communities so that more people experience God's love.

Each Locke Innovative Leader works directly at the intersection of faith and individual and communal transformation, focusing on people, populations, and communities that are not effectively reached or well-resourced. They embody resilience and the spirit to fail, learn, and try again.

**PARTNERING TO WEATHER LIFE'S STORMS TOGETHER**

Wesleyan Impact Partners stands with those it serves, especially when situations get tough. Linden-Linthicum UMC faced the daunting reality of having only six months of financial resources. We refinanced their loan to offer a lower interest rate and reduced payments, which allowed the church to finish an expansion project and increase its ministries.

Partnering also allowed Linden-Linthicum to innovate. Bolstered by a unique loan assistance program we created to support churches during the pandemic, they developed new ways to engage their community, which allowed them to increase membership.
